Descrizione

The penultimate stage allows you to rejoin the lower valley. From Chiesa (Church) take the path near the "Seles" Museum and soon you will get to Castellaro hamlet (1449 m). Continue first uphill, then downhill to Soglio Bianchi hamlet. Here turn right and take the forest path that with a hillside path reaches the high villages of Paglieres (San Damiano Macra). After a stretch on asphalt, near Bedale hamlet, keep right along the mule track that crosses Rio Albert (mill) and in the shade of a beech wood reaches Colle Santa Margherita (1330 m). You go downhill following the road already with a view to Dronero; after you arrive at Falcone hamlet, a short ascent on the path leads to Colle del Tejè (1149 m) and then descends on San Damiano Macra. Along the Maira stream you reach Cartignano.
