Descrizione

Interesting digression to the loop hike that allows you to visit the suggestive Sanctuary of San Chiaffredo, destination of thousands of devotees. From the center of Crissolo, follow the provincial road of Pian del Re (King's plain) to the fork at the hairpin bend, then turn right at the Sanctuary. Behind it, the mule track crosses the hillside on a steady gradient among wooded areas and open slopes reaching the Borgo hamlet, where it comes out onto the main Orizzonte Monviso track.
