Descrizione

The **Grande Traversata delle Langhe (GTL)** is a tour that encompasses an entire territory, the Langhe. Forget about wine and vineyards, which have only a marginal presence in this tour. Here, you will find pristine nature, cheeses, hazelnuts, castles, and medieval villages where time seems to have stood still. Not far from Alba, you will find a whole other world in which to admire one-of-a-kind landscapes and enjoy all the activities that nature provides in this lovely corner of the world, from hiking to off-road cycling.

Because just one itinerary would never be enough, the GTL provides several that take you to virtually every village, allowing you to choose from hilltop routes or specific itineraries from one village to another.
